product description:

Fast installation of cable holders using a powder-actuated fastening tool.

The holder allows cables to be inserted and removed after installation thanks to its pre-tensioned retaining arms.

Integrated openings allow additional cable securing with cable ties.

One package of DKM_KA contains 100 pcs.

One package of DKJ_KA contains 100 pcs.

One package of DKD_KA contains 50 pcs.

material:

Polyamide (PA6) halogen-free

sales amount:

1 pc

installation temperature:

0 °C - +45 °C

max. temperature resistance:

-25 °C - +110 °C

storage:

ČSN 64 0090

WARNING

Use of Personal Protective Equipment

Always wear safety glasses, hearing protection, and protective gloves to minimize the risk of injury.

Proper Tool Handling

Never point the powder-actuated tool at yourself or any other person. When carrying or repositioning the tool, keep the muzzle pointed downward and your finger off the trigger. Always assume that the tool is loaded.

Inspection of the Work Area

Ensure that no persons are present in the immediate vicinity of the work area. Inspect the work area and its surroundings before starting work.

Safe Use

Under normal and foreseeable conditions of use, there are no risks to consumers, provided that proper installation and usage are carried out in accordance with the installation manual.
